

If You Are New To Our Channel

Introductory Information

We want to welcome you here! The Lord has been speaking with Clare and Ezekiel for over 30 years, and in 2012 asked her to establish the Still Small Voice YouTube Channel to spread the word about His wonderful love for us, and to get His Bride ready for the coming Rapture.

Since then, the Channel has grown from just a handful to nearly 23,000 subscribers. Hundreds have found the Lord here for the very first time. Hundreds more have found that Jesus Himself was vitally interested in us, talks to us all day long – and wants us to HEAR what He has to say! And many hundreds have found out just what Jesus desires from us, so that we will truly be a pure and spotless Bride when He comes for us.

Jesus loves us all SO very much! We have so much that He has given us to share with you. Following, we have pulled out just a few of the most important, most common questions that we have been asked over the past 3 years – and links to the messages that will answer some of those questions.

Further below, we have provided links to all the other resources we have established for our Heartdwellers, as Jesus delights in calling His people here – a website, two blogs, a search engine and more.
